**JYM 6th-8th Grade Lock-In** Friday September 20th – Join us for a lock-in here at Faith Lutheran Friday night September 20th – Saturday morning September 21st from 7 pm-7 am. Complete with fun activities and possibly heading to the Aquatic Center for part of the evening. There will be great food throughout the night, lots of laughs, music, time for praising Jesus, and the company of great friends. Pastor Baumann would love for any 6-8th grade middle school students from the congregation, along with your friends, to be here for a great evening of fun and fellowship. Sign up today at the back table located in the Narthex and be sure to complete a medical information and waiver form, blue one for boys, pink for girls. **The cost is \$7, PLUS** a snack to share (pretzels, plate of fruit, scotch-a-roo bars (pastor's favorite), granola or nutra grain bars, My Little Pony Fruit Snacks, chips etc...) **PLUS** 2 nonperishable food items which we will donate. Any questions please see Pastor Baumann for further information.

### A New Addition

Greetings to you in the name of Christ. Fall brings all kinds of additional activities to the life of the church.

- Pastor and Margaret Baumann will have quite an addition as a little boy joins the family. Eliza will now be a big sister. Perhaps they are wondering if their son might be the next Aaron Rodgers. This we know for sure, the little lad will be clad in yellow and green.
- 803 N Grand Avenue has a new addition. When the whole family gets home, my ample home gets a bit small. I also needed shingles and at least a paint job—so if you need paint, shingles, and your abode is small, sometimes I guess that adds up to a new addition. Downstairs will be a sizeable bedroom with a large egress window. I will feel much better about the little ones being downstairs. Upstairs I will have a den with wall to wall bookshelves. As September 1, 2014 creeps up to a day of retirement, I will have a lot of books and stuff from the current office or as I often call it “my life museum” that will need a home.

I also had shingles done and steel permanent siding added. It seemed like a right time to pull all

### Pastor Urbach's Message

the needs and desires into one project. So—a dent in savings but easier now than after retirement.

- As I write this my mother is clinging by a thread to life on earth. In my first 13 years at Faith, my mom and dad were parish fixtures with their many visits. Then it was just mom after Dad's death. But she still had a lot of friends and one of the gals was always willing to come with mom. On July 21 of this summer our whole family gathered for Berdine's 90th birthday. It was a good weekend. Mom was overwhelmed, the cousins played and got to know each other. We all toasted mom with an Old Fashioned, which was mom & dad's favorite cocktail. She had a little speech and marveled at being 90 but also said this is just too long to live. Six days later mom had a stroke and five days following a second very severe stroke. She is basically unresponsive. We are praying for mom to leave her earthly tent and join my father, Andrea, and all the Godly saints whose souls are safe in Christ as we await the Resurrection. So we await heaven's reception of the soul of a faithful saint.

**Additions** We also welcome new souls to join Faith and to join

*Witness, Mercy, Life Together*

us for worship. As fall is upon us, let us be invitational, invite others, bring others, welcome everyone. We invite you to find additional ways to serve and to learn in a Bible study.

Well, the fall of 2013 A. D., we all add an additional year to our life in which we serve God and our community and in which we will worship Him in our beautiful Sanctuary. Thanks for helping us give God's beautiful, Holy place a new coat of paint and new carpet.

The Lord be with you.

Pastor Brad Urbach

Choir will begin again on Tuesday, September 10 at 6:30 p.m.

We are always in need of more voices, so if you read music or can match pitch please consider making the commitment to join our choir. Our choir has a great core group who will be happy to welcome you. We work hard to do our part to uplift the congregation in praises to our awesome God.

**Tuesday, Sept. 10 at 6:30.**

## A Message from Pastor Baumann

Greetings in the Name of Christ  
Jesus our Lord!

WHEW!!! What a fantastic summer! It was a memorable summer indeed as God provided me with abundant opportunities to spend time with, nurture, and care for the youth of our congregation. For that I thank Him, and for that I thank you as well. I thank you for trusting me with your children and for allowing me to have some pretty special time and opportunities with them, particularly in a day and age where time is such a valuable thing. Here are some of my youth highlights of this past summer:

On May 31<sup>st</sup>, eight youth and 2 other adult leaders, along with myself, ventured to the Black Hills to partake in the Crazy Horse Volksmarch that occurs each year. We were joined by 4,500 hundred other people. Our youth were up for the challenge of the 6.2 mile hike, reaching the top of the sculpture and then descending back down. We spent the night at a church in Custer and also were able to see the lighting ceremony at Rushmore as well. God blessed us with great weather and a great opportunity for our youth to better get to know one another.

June got off to a great start (June 9-13<sup>th</sup>) as we kicked off our week of Vacation Bible School where we were able to "Tell it on the Mountain: Jesus Christ is Lord!" The 107 kids who attended praised our great God in song, crafts, puppet shows, games, snacks, and a parent's program as

well. The Youth Encounter team, Captive Free, from Minneapolis did a fantastic job at leading music, reinforcing the theme of the day, bringing excitement and energy, and being ready to share Christ and His unfailing love with our youth.

Two days after VBS wrapped up, we were headed off to Camp Minniboji in Okoboji, Iowa (June 16-22). Seven youth from our congregation, one youth counselor, and myself made our way to camp for a week. The theme of this year's camp was "Be not Afraid." Our songs, games, crafts, mission presentation time, and events all centered off that theme. There were a total of 235 youth from other LCMS churches from all across the state of SD present for our week of camp. I hope to bring more youth back next year. Camp is such a wonderful part of summer and a great faith building and faith encouraging opportunity! I hope that our youth were able to make some great connections with other kids from different congregations in our state, and most importantly to grow in their faith and love for their Savior.

One week later (June 30<sup>th</sup> -July 5<sup>th</sup>), I was headed to San Antonio with 28 high school youth and 3 adult chaperones. Of the youth who attended there were 3 students who came as a part of our group but were not members of the congregation. How wonderful to have them with us and what a joy it was for

our group to connect with these 3 youth who came with. Our entire experience in San Antonio was quite the experience from start to finish. I just want to say, "THANK YOU, THANK YOU, THANK YOU, THANK YOU x 1000!!!!!!!" for all of the generous support, love, and contributions you as a congregation gave to our youth. For this once in a lifetime experience which they will never forget, our youth had to only pay \$550 plus food and spending money out of their own pockets out of a possible initial \$1,025 per person cost to attend. The initial task of getting everyone to San Antonio and back safely and at a relatively reasonable cost proved to be a HUGE challenge! But, praise God that He is faithful. He gave me the appropriate strength and support team to make it happen. He provided a plane for our group to have to get down to San Antonio a half hour earlier than expected and not 24 hours behind schedule and a day stuck in Denver like we anticipated. The power of the cross and empty grave of Jesus Christ is real. Our youth were connected to this powerful and life changing Word of God at the gathering. It was an experience you just had to be there for.

Two weeks later (July 22-25), Circuit Bible Camp kicked off as we had 18 total youth (one which was from Onida) participate in Circuit Bible Camp. Our group stayed at the Oahe Downstream Campground. We camped, did a bike ride, hiked, played games, participated in Bible Study and devo-

swam, did crafts with LeRoy Kropeunske and Becky Lang, made smores and banana boats, got soaked by a morning rain, took a ride on the Capital City Queen, canoed, snorkeled, had a family fun night with great food and Bingo with prizes, and more!! What an amazing time of Circuit Bible Camp! Thanks to all those who helped out, especially to Paul and Toni and their family. We love you guys and appreciate you!

And now with summer behind us, we set our sights on RALLY DAY and the start of all of our fall and winter programs here at Faith. Sunday School begins Sunday, September 8<sup>th</sup>. Rally Day will be the following Sunday, which is Sept. 15<sup>th</sup>, with a taco fiesta at noon and a host of youth activities at the church that morning. Mid-week parent's meeting is Wed., Sept. 11<sup>th</sup> at 6:30 in the church sanctuary.

Also, be looking to get plugged in with one of our fall Bible studies!

The Lord be with You!

In Service for Christ and HIS church,

**Pastor Joshua J. Baumann**

## THIS AND THAT

**Dear Priscilla Circle and our Faith Family,**

We want to thank you so much for the generous outpouring of your love and for the wonderful baby shower that was given last Sunday. There are so many reasons to give thanks to God! As St. John 1:16 says, "From the fullness of His grace we have all received one blessing after another." Thank you so much for every blessing you have given to our little blessing! Now all we need is for our little guy to arrive so he can wear all those adorable clothes, especially the ones that say, "Handsome like daddy! ☺" May God Bless You!

With Many Thanks,

Pastor Baumann & Family

## CFLC Kitchen Usage and Upkeep

The Kitchen Committee has noticed that there is a lot missing from the Kitchen. We did an inventory in January 2012. At that time we had 2 broiler pans & racks, 2 large soup kettles with lids, one 10 qt. kettle, and 1 Pampered Chef vegetable cooker. WE NOW HAVE only 1 large soup kettle with lid. We had 9 glass pitchers, 4 clear plastic pitchers. WE NOW HAVE 5 glass pitchers and 1 clear plastic pitcher. We had six 18 qt. electric roasters with matching liners. WE NOW HAVE 4 with matching liners and 2 with

liners that do not fit correctly. In addition, the dish washer has posted signs on how to use and clean it up. But recently it was found with the lid down, dishes inside and not drained. Put things back into their appropriate cupboard or drawer as they are all marked. **PLEASE HELP US TAKE CARE OF OUR LOVELY KITCHEN.** We also ask for your help---if something breaks or does not work properly (mark them) and please notify someone on the kitchen committee or leave a notice in the

church office and it will be forwarded so we can keep our kitchen supplied. Thank you for your help. Kitchen Committee Contacts: Elaine Wagner at 224-7640 or Myrna Hartmann at 224-7039.

## A Letter of Request from our South Dakota District concerning Campus Ministry

Dear Christian Friends,

It's true. Some young Christians do lose their Christian faith while in college or university. We've heard the stories and read the statistics. But it does not have to be that way! We are not powerless to help, support, and encourage our students in their Christian faith as they go off to their colleges, universities, and technical schools. With proper support, even secular campuses can be powerful fields for young Christians to grow in their Christian faith. Our campus ministries are up to the challenge of providing Word and Sacrament ministry, as well as counseling, guidance, and direction for our students while at school and away from home.

So we are asking you to share with the South Dakota District the names and contact information for the young men and women of your congregation attending colleges, universities, and technical schools for the 2013-14 school year. Please include, if possible, the names and contact information for ALL young people from your parish who are enrolled in a college, university, or technical school, not just those students entering their freshman year. The information that you provide will be shared only with those who are responsible for carrying out campus ministry in their respective communities. If the information you have is incomplete, please provide us with whatever contact in-

formation you have for each student. Also, please direct your young people going off to college, university, or technical school to the LCMS U campus ministry website [www.lcms.org/lcmsu](http://www.lcms.org/lcmsu) where they will find information about the LCMS campus ministry taking place near them.

On behalf of our campus ministry partners, I thank you for your time and attention to this important task.

In Christian Service,  
Reverend Darren R. Olson, Executive Secretary  
The South Dakota District – LCMS

**There is a sheet on which to place your contact information on the Information Table in the Narthex. Please do so as soon as you know the information so we can get the sheet sent in to District and they can distribute it to the ministry teams at the schools.**

## Preschool News

On Tuesday, August 27, Faith Lutheran Preschool officially begins with our Get Acquainted Nite! It is an exciting time for parents and preschoolers as they register and get 'acquainted' with the facility and staff of our preschool here at Faith. There are three sessions, one for each of the classes that meet, starting at 6:30 PM. It is always exciting to finally meet the face that goes with the name on the preregistration form! Classes start the week after Labor Day.

Once again, we are blessed to have three dedicated and experienced staff members to help me share the love of Jesus with little ones. Donna Gohl and Anita Marso will be returning to Faith Lutheran Preschool this fall. Our new staff person is Sue Pibal who has been helping children learn her whole life – most recently as Jefferson Elementary. She and her husband Dick have lived in Pierre for many years. They have three children and six grandsons. She will be a wonderful addition to our staff and yes, she is also a grandma!

Thank you for your faithful designating of Thrivent Choice Dollars to our preschool! We are also so very thankful to

Delta Dental for their support of the program. With these funds, this summer we have been able to purchase 3 new shelving units, a new CD player for our listening center, a new kitchenette, several new puzzles and some replacement toys. Thank you so much for your support!! I will be sending in the last Land'O'Lakes milk caps this fall as they are discontinuing this program. **Please have all your milk caps turned in by October 1!!** I will send in the caps right after that date. Thank you for being so helpful in saving those caps.

Thank you again for the privilege of working with God's precious little ones! I love being able to tell them about the God who created them, loved them enough to die for them, and lives in their hearts today! We are anticipating a wonderful year and are so thankful for your support and prayers. God's blessings to each of you in the family of Faith.

In Christ,

Jan Larson, Director/  
teacher

## Daycare News

Greetings from Faith Lutheran Daycare!

We have had a busy summer full of summer recreation, pool time, and water play outside! The children have learned a lot about the world around us, especially in our oceans, lakes, and rivers. We have discussed water safety and how to take care of our bodies. We even had a little time in July to have a Christmas in July week for fun!

While we've had an eventful summer we are ready for school and Preschool to start. We have many from our daycare that will be attending Faith Lutheran Preschool with Mrs. Jan Larson and her wonderful staff. We also have had to say goodbye to four staff members that are returning (or doing for the first time!) to college. We love them and hope that God blesses their educational journey.

We are very happy to welcome some new staff to Faith though! Brittany Stanek has taken the position as our cook. We also have some new afternoon help with Mistina Heath and Jordin Dungey. Daycare is cur-

rently looking for substitutes and part-time positions for the mornings! Applications for daycare can be picked up in the daycare office.

We are excited to be starting our brand new curriculum: One in Christ from Concordia Publishing House. These new materials and lesson plans were purchased this summer and this will be the first time we have used them in the center. We hope to have some awesome "new" Bible stories to learn and a new way to learn them and take them with us in our lives.

Daycare can always use donations of items such as Kleenex, baby wipes, craft items, and paper. If you ever want to donate anything you are welcome to drop things off at the daycare office anytime.

Your friend in Christ,

Jennifer Carr  
FLDC Director

- ly helping with this project. We are still shy of our goal so if you can still help we would appreciate it. Our goal is 31,100.00, as of our 8/16/13 offering we now have \$11,125.00 toward our goal.
- **The Gym** floor has a shiny, glass-like finish. Jay gave the floor a very thorough cleaning and Service Master gave it three coats of wax.
- **Lights**—Todd's Electric recently replaced several lights in the Gym and in the Sanctuary. We thank them for their generosity in donating both the labor and the bulbs. Very kind!

## Debt Retirement

On August 1 we made our regular monthly payment of \$5,395.00. Due to your generosity we were able to make

- 2 advanced payments—saving \$7,933.02 in interest.
- We have now saved \$409,997.44 in interest.
- And our \$1,000,000 debt is reduced to \$762,915.26.

Something to think about! We are just 3 years into a million dollar, 30 year loan. Once again, due to your generosity we have reduced the principal by 25% and we have now saved over 40% of the interest!

So many people pitching in! Thank you!

## A New Set of Paraments

A new set of green paraments have been ordered because of the kindness of the Zoller, McIntire, Wixon and Urbach families.

The new set of paraments will center around the cross while depicting the Sacraments of Baptism and Holy Communion and reminding us of the miraculous feeding of the multitudes with two fish and five loaves of bread.

- The Zoller family has provided for the Altar Superfrontal parament in loving memory of Gloris Zoller.
- The McIntire family has provided for the Pulpit and Lectern falls in loving memory of Marie.
- The two stoles are provided by the Wixon family in loving memory of Alice Wixon and by Pastor Urbach and family in honor of Pastor's mom, Berdine Urbach.

The new set will give us a variety of paraments to use during the Season of Pentecost which is seven months long. During the season we use green paraments. At some point we would like to add a couple of matching banners.

## Our Bulletin and Newsletter Assemblers

### SUNDAY

**Our Sunday Morning Bible Class—12 Weeks in Hebrews** begins September 8<sup>th</sup> and continues through the end of November. Our Sunday Morning Bible class this fall will be led by both Pastor Urbach and Pastor Baumann and will examine a chapter of Hebrews each week. Hebrews is chalked full of insight, advice, and reflection for Christians. We hope you will make time each Sunday morning to meditate with us on what speaks to us and to the Church today through Hebrews—13 chapters, 12 weeks! Please attend! \_\_\_\_\_

**Joshua**—Follow the Israelites through the wilderness to the Promised Land. Joshua is a faithful leader to a faithful and loving God. Dwell with us in the book of Joshua for 9 weeks and experience God's faithfulness to Israel and discover new things about Israel's history and your own walk with God that you never knew. The contact for this class is Marv Schweigert, and he may be reached at: 224-5133 with any questions. Meets Sundays at Church 6:30 PM and begins Sept. 15<sup>th</sup> for nine weeks. \_\_\_\_\_

**The Wired Word!**—Looking for fresh, stimulating discussions on how the Bible relates to life today? *The Wired Word*, includes biblical commentary and discussion questions related to a topic in the news that week — sometimes even the same day! Participation in this Bible Study will help you . . .

Relate current events to relevant Scripture passages.

Participate in dialogue on how the verses covered each week apply to everyday life.

Engage in thought-provoking, stimulating discussions on the messages contained in the biblical texts covered each week.

This study will also meet on Sunday Mornings at 9:45 in the Young Conference room right by the church office beginning September 15<sup>th</sup>. \_\_\_\_\_

### MONDAY

**Monday Afternoon Women's Study**—Study time and day to be determined. Details to follow in the church bulletins. This course will be led by Karen Lindbloom and maybe others as need be. \_\_\_\_\_

### WEDNESDAY

**Wednesday Morning Men's Study**—Men's morning Bible Study is open to all men of the congregation. With worldwide hits like *The Da Vinci Code* and commercial and cable networks cranking out programs on cracking cryptic codes and unburying ancient secrets, the interest in knowing what the past has to say is running high. Often, too, these types of questions are directed to believers, putting them at a loss to answer those who wonder why the Bible should be believed over other ancient writings. In fact, many Christians have the same questions themselves. In *Lost Books?*, host Rev. Gregory Seltz, Speaker of **The Lutheran Hour**, asks, "Were books intentionally excluded from the Bible? What if more information about Christ's life was buried for centuries? Are there books that should be in the Bible, but aren't?" Are these questions important? *Absolutely!* **Join Pastor Baumann Thursday mornings @ 7:00 a.m. for an hour looking into these questions. Should be a great study for guys of all ages and walks of life! Every 3<sup>rd</sup> Thursday we also do breakfast at 6:30 a.m.** \_\_\_\_\_

**Wednesday In-Home Bible Study**—This study meets in homes starting with Bob Miller's home beginning late September at 6:30pm. Join this group for an excellent way to get to know others, for great discussion, and for the opportunity to encourage and be encouraged by others to read the Word of God and explore various topics of the Bible. If you are interested, please contact Bob Miller 224-9955. \_\_\_\_\_

### THURSDAY

**Beth Moore Women's Bible Study on Gideon**— Ever feel insufficient? Could it be that your weaknesses are the keys that unlock God's strength? Through a look at the life of Gideon, you can discover that instead of ignoring, neglecting, or trying to escape your weaknesses, you can see them as the gifts, given specifically and strategically by God to unlock the door of God's strength. This exciting study on the life of Gideon will be offered at two separate times, one on a Thursday, and one on Mondays for your convenience. The Monday women's study will begin on Sept. 30<sup>th</sup> from 6:30 to 8:30 each night, and the Thursday night study will begin on September 26<sup>th</sup> from 6:30-8:30 as well. This is a 7 week study including the introduction. \_\_\_\_\_

**Adult Inquires Class**—A wonderful class for all that covers the basic teachings of our church and helps you understand what makes us Christian and specifically Lutheran as well. This is an especially important class for those who are new with us and who would desire to become a part of our Faith Family. This class meets on Thursday evenings at 7:00 beginning October 10th.
