**Out of the Ground!**

Greetings in the Lord! We always knew it to be true that getting a building out of the ground is always the unknown, expensive, full of surprises and the difficult part.

Ground water, old footings different than the blueprint, an unmarked phone line, an old water pipe seepage, the list goes on. That has certainly been true of our June progress—several surprises.

Yet, in the midst of the surprises, the work presses on with determination. The work of forms, rebar, and concrete is an art form in itself. Dave Johnson, the foreman on our job, with Midwest Construction, is amazed by all the rebar. It will be quite a foundation.

We too have a solid foundation. The Hymn writers say it well—

“The Church’s one foundation  
 is Jesus Christ her Lord.”

Again—

“My hope is built on nothing less  
 Than Jesus blood and righteousness...  
 On Christ, the solid rock I stand;  
 All other ground is sinking sand.”

It’s not rebar and concrete at our base, it is the Word and Sacraments of our Savior.

Christ, the Redeemer, knows something pretty significant about “out of the ground”. After the darkness of Good Friday, on which our Savior died and was buried in a borrowed tomb, an incredible thing took place. Yes indeed, “out of the ground” He arose.

St. John of Damascus (696-745) states it powerfully in

his ancient Easter hymn—

Alleluia! Now we cry  
 To our King immortal,  
 Who, triumphant, burst the bars  
 Of the tomb’s dark portal.  
 Come, you faithful, raise the strain  
 Of triumphant gladness!  
 God has brought His Israel  
 Into joy from sadness!

LSB 487 verse 5

Watching the foundation rise “out of the ground” too could remind us of the first Christians surviving and worshipping in the Catacombs of Rome. Unlike the “underground” churches of the past and yes, even present, our church with its stately appearance bears witness in our community of our faith in the Risen Christ, He who rose “out of the ground”. May our faith in the one who rose “out of the ground” stir us to rise each morning to the love and service of each other and of God’s Holy church.

The Lord be with you!

**Pastor Paul Sohn** was called to his eternal home in mid June. Pastor Sohn served Faith from 1949-1957. We were graced by his presence at several of our celebrations in recent years. Pastor Sohn had celebrated his 91<sup>st</sup> birthday June 5. The Sohn's had 7 children, after his wife died, Paul married Lucille who had 2 sons. Lucille's sons brought Paul and Lucille to our 75<sup>th</sup> Grand Finale. There is a nice photo of the Sohns with Jessica Willms on the Grand Finale photo board in the Narthex. The Sohns had retired to Jessica's home church.

Greetings may be sent to:

## Faith Lutheran Daycare

Greetings in Christ,

This summer has been quite exciting for the Daycare. We have a full house of terrific children, and are looking forward to the addition of even more as many of our families are expanding. Despite our high numbers and the limited outdoor play space due to the construction, we have been spending a lot of time enjoying the nice weather. Pastor Urbach has opened his yard up to us, and we have been taking advantage of our close proximity to La Barge park. As the heat continues to rise outside we are looking forward to outdoor water play and going to the City Pool. As always we will wrap up our summer with a fantastic picnic help toward the end of August. I am hopeful that all of our families will take advantage of this time of fellowship.

Sincerely,

Nick Wulf, Director

## Preschool News

Welcome summer! During these "free months" many things are going on in preparation for next year's program. Registrations continue for our sessions; supplies are inventoried and ordered; equipment is checked for replacement and the program is evaluated for improvements. Before you know it, it's time to ready the room, clean the carpets, wash the toys and print materials for our "Get Acquainted Night" in August.

It's nice to have a break in the summer, but that time is used in preparation for the next year's students. This year we will be hosting a parenting workshop once a month lead by Ruby Douglas. The details still need to be worked out, but it will be held at Faith and will be open to anyone interested. There will be no charge for the class.

God bless your summer! Enjoy the beautiful creation God has given to us and the people who share it with us.

Jan Larson, Preschool Director

Registration forms are in the brown basket on the oak table in the Narthex.
