A Letter From Our Pastors

“This shall be a sign...”

Greetings to you in the Lord of Advent. The Thursday, November 11th issue of the Capitol Journal had a nice article on our Euclid Avenue sign and Jay Fredrich, our Facilities

Administrator. We thank Jay for faithfully changing that sign each week.

Signs are important. We hear the words of Isaiah: *“Therefore the Lord himself will give you a sign: The virgin will be with child and will give birth to a son, and will call him Immanuel.”*

Isaiah 7:14

or John’s statement in the Gospel of John after Jesus changed water to wine:

“This, the first of His miraculous signs Jesus performed in Cana of Galilee.” *St. John 2:11*

or Matthew’s words about Jesus speaking of the last Days:

“At that time the sign of the Son of Man will appear in the sky, and all the nations of the earth will mourn. They will see the Son of Man coming on the clouds of the sky, with power and great glory.”

St. Matthew 24:30

These three sign references reflect the Advent season: The Jesus who was promised; the Jesus who lived His life on earth; the Jesus who shall return.

Our first major sign was on Grand Avenue, it was a Whopper of a project. The parish, our Aid Association for Lutherans Branch, and Randy Hartmann, then the manager at Burger King, hosted a Whopper feed as a fund raiser—so the sign was a Whopper of a sign.

Then the second sign would follow on Euclid Ave.

That sign gave us a wonderful witness on one of the Capitol City’s busiest streets. The sign tells of our Worship and Sunday School times, tells of special events and shares thoughts that can bring smiles, laughter, and moments of thoughtful pondering.

Jesus the Christ is the ultimate sign from God of His eternal love. The Babe of Bethlehem reminds us of God’s wrath over sin and the remarkable length He would go to for the rescue of humanity.

The Sundays of Advent will be filled with the wondrous words of Isaiah, Gods mighty Prophet, our Midweek Services will focus on one of God’s mighty signs, the Stars.

So join us in the Sundays & Wednesdays of Advent. One of the signs of a healthy church is having its pews filled with those who loved the appearing of Christ into the world.

See you in the pews, a good sign of a healthy soul.

A LETTER FROM YOUR MISSIONARIES

Nov 15, 2010

Psalm 136:1 (KJV)¹ O give thanks unto the LORD;
for *he is good*: for his mercy *endures* for ever.

Indeed we give thanks to the Lord for he is good. He has blessed us in many and various ways, but especially with the forgiveness of sins we have in our Lord Jesus, together with the hope of the resurrection of the body and the life everlasting. We also give him thanks that he has allowed us to live in this place to share that good news with the people in Rosebud.

There have been a couple of nice things happen recently. One is in Parmelee. We had our usual Tuesday after school Bible School classes. We were invited to the Boys and Girls Club

for some event they were having where the newspaper came and things like that. So we quit pretty early, and went over there. When we were there one of the girls about age 12 came and said to me, when are we going back to the church? I said pretty soon. So we went back to church, and a few other kids came along. As we were walking over there, she said, "Now when we get to church we have to do the whole thing, read the lesson, do the craft, watch the video and eat!". It was fun for me because it showed that she really liked doing the things we do, and she read the Bible story from the Bible herself. For that I am thankful.

I also received a call from a man the other day who is a Lutheran from Sioux Falls. He and his wife have been living in Rosebud for about a year and a half. I am pretty sure they are going to join the church. His wife is Catholic, but doesn't attend. They are a young couple and that is nice.

Also as you know John Arcoren continues to live with me, and he is a very spiritual and uplifting young man. He has started a Bible study that he

leads on Saturday afternoons at the church. He has some of his family attending as well as some of his friends. I also have him helping with the children's sermons at church. It has only been a few times so far, but it has been good both for him, as well as for the members of the church.

We also are having an alcohol recovery Bible study to help those who are just out of treatment. We are doing this together with some of the people from the treatment center, and it seems like it will be a good thing. We are doing this on a rotating basis in different locations one of which is our church in Parmelee. I usually have a worship service there on a Sunday once or twice a session.

We are looking forward to our Christmas season. We will be having our Christmas parties and Christmas caroling both in Rosebud and Parmelee. These are always fun community events.

We pray that your upcoming Holiday season is blessed by our Lord Jesus, and that during that season you have the opportunity to share Christ.

In Christ, Rev. Andrew Utecht

P.S. Proceeds from the Country Fair are providing Hymnals and Bibles for Pastor Andrew Utecht's ministry at Rosebud. Our ladies are providing 15 Hymnals and 20 Bibles.

Again, we would say thanks to all of you for all you did to help with the Country Fair.

Preschool News

Faith Lutheran Preschool has had a busy and fun filled November. We made pine cone ornaments for a Christmas tree at the Mall – check it out! We had our final community helper come – Officer Broers- who told us about being a police officer. We are talking about the first Thanksgiving and learning several nursery rhymes. We even had a 'Bear Day' when we each brought our favorite bear and did lots of fun things with them. During December we make a gift for our parents, decorate our own tree at preschool, learning the story of Jesus birth and get ready for our Christmas program. It will be held in the new Christian Life Center at 10:30 AM on Monday, December 21 and at 10:30 AM and 2:30 PM on Tuesday, December 22. Please come if you would like and enjoy and old fashioned Christmas program! The best part of this time of year is teaching the children the real meaning of Christmas and how much Jesus loves each of us. Praying that your Advent and Christmas holidays are bright with the love of Jesus! Jan Larson

Daycare News

Greetings to everyone from Faith Lutheran Daycare. Things are going great in our new daycare facility, and we would like to thank everyone that made this possible and helped in anyway.

Currently FLDC has Five full-time employees, eight part time employees and three subs. Our current enrollment capacity is 60 children. We have 53 children enrolled at this time. This would include 10 babies, 31 2-5 year olds, and 12 schoolers. We currently have openings in the 3-5 year old age group. If you know of anyone needing childcare have them call Noell at the daycare center.

We have been doing weekly bible stories and songs and crafts that go along with the stories. We had a big Halloween party that included a costume parade. The children and teachers truly enjoyed the day.

We would like to thank Pastor Willms for providing monthly chapel times. The children enjoy the time spent with Pastor and enjoy his bible stories and songs.

Daycare is always in need of craft supplies. If anyone ever wants to donate to the daycare just give me a call and we can arrange a time for drop off.

God bless everyone, and we wish you a happy holiday season.

Sincerely,
Noell Uhler, Director

Building News

Thank you for your generous gifts so far in November of .

- Your gifts in these past weeks enable us to make our December 1st payment of \$5,836.00 to the South Dakota Church Extension Fund.
- Your gifts also helped us, as of our November 14 Board of Stewardship meeting to apply another \$10,000 to our Bank West short-term loan. Our debt started at \$56,000, it is now reduced in principal to \$14,515.25 and in interest to \$738.36 for a total of \$15,253.61. We are about there! Thank you.
- We will also be able to make 3 advanced payments. Two of our families gave gifts for 2 advanced principal payments and we received an Estate gift of \$1,000.00 from the Estate of Doris Weischedel. We will add to this \$136.05 from the Building/Debt Fund and made advanced principal payment # 18. Thus far, we have made 12 advance principal payments saving \$56,864.21 in interest.
- We thank Tony & Kandee Leif for a second Foosball table for our youth.
- We thank Helen Kiepeke for a microwave for the office workroom.
- A new Coke vending machine has been placed in the Lobby by the drinking fountains. It has some “healthy” drinks in it and it will be closer to much of our activities. The pop machine on the landing of the Great Room will remain.
- Two extra old light fixtures will be placed in the Luke/John Room. This room has become a game room for our youth. In addition to the two Foosball tables, the Ping-Pong table has been moved to that room as well.
- The floors in the Luke/John Room have been sealed and ½ of the floor in the St. Paul room has also been sealed. This was a result of a gift from the Gert Mueller Estate.
- The light fixture directly outside the St. Matthew room has been tied to the staircase lights. This gives us better light on that staircase when the St. Matthew room is used and we don’t need to turn on all the upstairs hallway lights.
- **Need** The T.V. in Jon’s Place is of poor quality

now and we would like to replace it. If you are updating to HD and need a place for your still really good T.V., we would sure appreciate having it for the Great Room.
